

Perfectly Angled Cupboard Doors

The Cupboard Door Company expertly manufactures the perfect door solutions for under stairs cupboards or bedrooms with sloping ceilings (skelings).

Manufacturing from solid MDF to order, the company specialises in one-piece construction of quality shaker panelled cupboard and wardrobe doors in any size up to 2420 x 1200 mm.

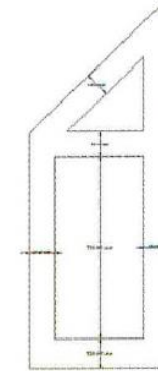

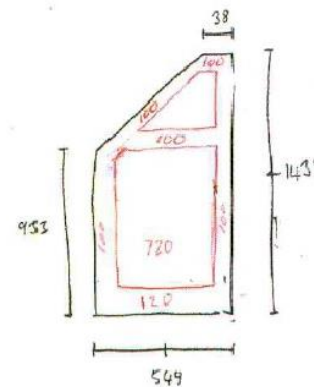

Bespoke services include:

- CAD drawing from customer sketch
- Raw supply for faster turnaround
- Free general product sample pack for new customers (pay carriage only)
